Je suis capable de calculer combien de cerises sont cachées sous la boîte (la branche contient **6 cerises...**)

Diagram illustrating the decomposition of 6 cherries into three groups:

- Group 1: A tilted box with 3 cherries to its right.
- Group 2: A tilted box with 2 cherries to its right.
- Group 3: A tilted box with 1 cherry to its right.

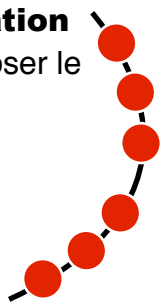

Diagram illustrating the decomposition of 6 cherries into three groups:

- Group 1: A horizontal box with 4 cherries to its left and 1 cherry to its right.
- Group 2: A horizontal box with 2 cherries to its left and 3 cherries to its right.
- Group 3: A horizontal box with 1 cherry to its right.
